## Principal's Report

Welcome to a short but very busy last term.

I am pleased to announce Kendall Public School has a new Principal, starting Term 1 2010. We welcome Jodie Paterson, who comes to us from Barnier Public School in Quakers Hill, Sydney and look forward to her arrival in 2010.

Today is Mrs Royal's last day, as she starts maternity leave. Miss Hagan will be replacing her, being 2R's teacher until the end of the year. We wish Mrs Royal all the best and are looking forward to meeting her baby.

On Thursday, the senior dance group and TOM team performed in front of the school and parents. Congratulations to both groups it was very entertaining and it is obvious how much effort and practice they have put in. Thank you to Miss Brooks and Mrs Semchyshyn for your time and input.

Today Primary Sport started for this term and what a variety of activities. Some children will be at the pool, playing tennis and surfing at North Haven Beach. Thank you to the parents for giving your time to transport children to the beach, without you students at Kendall Public School would not have these opportunities. A big thank you to Mr Sheridan for organising sport for this term.

Stage 2 camp is on Monday next week, it is an early start with the bus leaving at 7:30 am. 40 students with Mr Skerritt, Mrs Beach and Peggy will be going to the Wangat camp in Dungog. We are sure they will have a great time. Please ensure your child is here no later than **7:15 am**.

### School Performance

We have organised a school performance called "String Fever". This is an amazing puppet show with non stop action and vibrant fast moving fun. The show will be on Wednesday 4th November 2009 at 11.30 and will cost \$5. If your child would like to attend this performance please fill in the form attached and send in the money to your child's teacher.

### Prime Minister's Report

The end of Week 1, Term 4 already and there are only a matter of weeks before the end of the year and Year 6 leave primary school!

Surf school has started today with several students going to the beach to learn to surf on Fridays for sport. Yesterday morning the dancers and TOM team performed in front of the school and parents. It went well.

While on Wednesday, two visitors from the rural rugby league came to the school to teach everyone some football tips and play some small games. It was rather fun.

That's all that happened this week, but I'm sure that this term will be a great last term with activities such as the circus, parliament nominees and many other events.
