Principal's Report

Our stage 2 students have returned from their excursion to Wangat Lodge. Despite the weather they had a great time. They enjoyed a variety of hands-on activities and walks where they learnt about rainforest and river environments. The students were very well behaved, making it an enjoyable experience for teachers and the Wangat Lodge coordinators. Thank you to Mr Skerritt, Mrs Beach and Peggy for supervising the camp.

I would like to congratulate some students in Year 5, who have been making and selling scoobies to raise money for the Year 6 Farewell. These students came up with the idea and they have worked extremely hard giving up their lunch time to sell the scoobies. So far they have raised nearly \$100. Well done!

Last Friday I accompanied 29 students to North Haven Beach where they enjoyed an afternoon of surfing

instruction. What a fantastic opportunity this is! The children are not only learning to surf but are made aware of the dangers of the beach and how to stay safe. I am looking forward to seeing how much they progress over the next few weeks.

On Thursday we had Kindergarten Transition. We welcomed 30 children, who will start Kindergarten in 2010. They were all happy and behaved like they had been to school many times before. A great start to school!
