The Official Newsletter of Kendall Public School . Volume 13. 15th May 2009

Principal's Report

On Tuesday evening, **19th May**, parents of year 5 and 6 students are invited to attend our school for a high school information night, from **6.30 - 8.00. p.m.** in **5/6 Se classroom**.

Staff from Camden Haven High will attend to tell you how students are supported and how the subjects change as students move through high school.

This session is intended to provide information about the experiences and structures used at high school. A light supper will be available at the end of the evening.

On Tuesday I was pleased to accompany Mrs Gill and our nine senior students to the CWA International Day in Kendall where they were presented with prizes for their excellent project work on Egypt. Congratulations for representing our school so well.

Students have enjoyed learning about leading a healthy and safe lifestyle in the

Life Education van this week.

Health Harold will return to Kendall in 2011, so we look forward to seeing him again in two years time.

The National Testing in Literacy and Numeracy kept year 3 and 5 students and teachers really busy this week. Teachers are impressed with your good efforts. Well done boys and girls!

expected 100 sites to receive school zone flashing lights in 2009. This project is part of a 4 year program to install flashing lights in 400 school zones across NSW.

The new school zone flashing lights are solar powered with back to base monitoring by RTA and will operate during normal school zone hours.

It is anticipated that progressive installation of the next 50 sites across NSW will occur between mid May and September 2009. Excellent news to help ensure the safety of our children.

Website News

Term two calendar is now uploaded. This week we will have photos of the cross country held today.

Rugby League

Last Friday 8th May, James Kennedy, Scott Laurie and Zack Hanlon were playing Rugby League as members of the Lower North Coast training on squad.

Two of the three Kendall Public students, James and Scott, have been invited to attend a three day Rugby League training camp at Evans Head.

If selected, the boys will travel to Griffith and represent Lower North Coast against teams from other New South Wales districts as well as Queensland.

Congratulations to Zack, for his efforts and best wishes to Scott and James as they continue to represent their families, town and school in Rugby League.

Justin Sheridan

Stage 3 Egypt Projects

Congratulations to all Stage 3 students who handed in projects on Egypt last term. The research and work that went into their publication was excellent and the people from the CWA were very impressed (as were your teachers!). The projects were judged last week and prize winners were presented with their prizes and certificates at the CWA International Day on Tuesday.

Winners were:

Booklet: 1st Madison Gillis

Equal second Tayla and Logan
Mepham

3rd Lachlan and Damien Hudson

Posters - Certificates of merit to Claudia Booth,
Scott Witchard, Hannah Coombe and Taylah

² Reid

Congratulations once again to all students. We will be displaying some of the projects in the community and around the school.

Mrs Gill

Book Fair News

Thank you to everyone who supported our Book Fair this week. We had a different supplier to that of recent book fairs and I would appreciate any feedback that you have regarding the quality and price of books in either fair to help with the organisation of future fairs. We were able to select \$345 worth of books from the fair to keep as our commission. These will be available in the library for borrowing as soon as they have been processed.

Mrs Gill

School Captain 's Report

Last Friday Mr Skerritt 's class had their assembly which we all enjoyed watching. We also had a visit from some Irish dancers.

Year 5 and 3 have been doing their Naplan tests this week.

During this week we have been visited by happy Harold. He has been teaching us how to live a safer and happier life. We enjoyed seeing him.
