## Principal's Report

Two students, Shania Madden and Kaitlyn Wilkes represented our school and the Hastings Zone in the North Coast Cross Country Carnival at Murwillumbah yesterday. We know they would have represented our school with their obvious ability and competitiveness and look forward to hearing of their efforts.

Congratulations also goes to Hudson Macindoe who represented our school in the Public Speaking.

The Picasso Cow project is drawing to a close. Over the coming weeks our cow will be decorated with a theme and we hope we can involve some community members in assisting our team. Yesterday our students visited Mark O'Neil's dairy farm to see first hand a dairy farm in operation and to ask questions about the dairy industry. In the next couple of weeks we hope we can display our progress.

School improvement money from the Federal Stimulus package is starting to flow and today I have been advised that renovations to the library and J Block will take place before the end of the year. Improvements to the "dungeon" have also been targeted. This is great news for Kendall and will ensure that students will have the best conditions in which to work and learn.

### Prime Minister 's Report

Many things have happened this week. The disco was held last night and we heard it went well. Kaitlyn Wilkes and Shania Madden went to Murwillumbah to represent our school in the cross country - we wish them well. 12B' s assembly was on today and it was very entertaining.

Next week we have 2WayFM on Wednesday and Miss Brook 's dance festival as well.

Have a nice weekend and remember to look at the coming events.

The following tear off slips have been designed to help you in sending absence notes to the school and to ensure that we have all the necessary information for our records. We ask that a parent/guardian complete and sign all sections of the form and send it to the school on the day your child returns to school after an absent day. Thank you.
